Email: [mspillane@clarku.edu](mailto:mspillane@clarku.edu)

Founded in 1887 as the first all-graduate school in the United States, Clark University has always played a pivotal role in the creation of new realms of research and practice, including STEM, business, and interdisciplinary studies. Our legacy is rooted in a commitment to liberal arts education that is multilingual, multicultural, transnational, and deeply engaging. That DNA is manifested daily in the close collaborations among professors, students, local activists, regional leaders, and global professionals in business, government, and nonprofit organizations. Together, we form a passionate community characterized by creativity, bold thinking, strong collaborations, and the determination to contribute to transformational change, both locally and globally.

Clark's Graduate School of Management is AACSB accredited – representing the highest standard of achievement for business schools worldwide. The university is also consistently recognized as a ""Best Business School"" by the Princeton Review, one of the Top 16 programs for M.B.A.s pursuing ""green business"" fields, and ranked as one of the Top 300 universities in the world by Times Higher Education. Clark's urban location and tradition of community partnerships place faculty and students in an ideal position to exemplify the our motto: ""Challenge Convention. Change Our World.

12. **Clayton State University**

Morrow, GA

Representative: Christina Hung, International Admissions Coordinator

Email: [christinahung@clayton.edu](mailto:christinahung@clayton.edu)

Clayton State University is a public university in Atlanta, GA and is a selective Senior Unit of the University System of Georgia. The main campus includes 192 acres (0.78 km<sup>2</sup>) of peaceful wooded grounds, featuring five lakes and a park-like atmosphere. Located in the north-central part of Clayton County in suburban south metro Atlanta, the main campus is a fifteen-minute drive from Hartsfield-Jackson Atlanta International Airport and about twenty minutes from downtown Atlanta.

Clayton State University has four colleges, an Intensive English Program and a School of Graduate Studies. We have 5 Associate's, 36 Bachelor's and 8 Master's which also seek accreditations that speak to the high quality of our offerings. We were recently named by College Choice as one of the top ten among the 25 best colleges in Georgia for 2017 and #8 Public Regional Colleges in the South by U.S. News & World Report. Furthermore, our College of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB); a distinction that only 5% of business colleges worldwide hold. Our MBA program was recently ranked by U.S. News & World Report as #1 for Best Business Schools with the most full-time international students.

Clayton State University provides value by balancing cost and high quality of education. We were recently ranked as the Top 5 Best Value in Georgia Higher Education as well. Our tuition for international students is nearly 20% lower than the national average of public four-year universities and over 40% lower than the national average for private four-year universities.

Clayton State basketball, soccer, cross-country, tennis, golf, and cheerleading programs are part of the NCAA Division II sports conference. In 2011, the Clayton State women's basketball team won the NCAA Division II national championship. In 2015, the Carnegie Foundation acknowledged Clayton State's outreach to Metro Atlanta communities, businesses, and non-profit institutions. [www.clayton.edu/](http://www.clayton.edu/)

Located in Steuben County, a destination known for its 101 lakes, Trine offers students experience with real-world projects, expert and caring faculty mentors, state-of-the-art facilities, and alumni who impact their communities, nation and world. While our ABET-accredited engineering school is central to our reputation, we also offer outstanding programs in business (ACBSP), education (NCATE), and health sciences (CAPTE). With an average class size of 19 students and a 16 to 1 student to faculty ratio, our high standards are consistently recognized by publications like U.S. News & World Report and Princeton Review. Our 99.3% job and graduate school placement ranks highest in Indiana and possibly the region. Amenities include an 18-hole PGA golf course, Thunder Ice Arena, The Bock Center for Innovation and Biomedical Engineering, and the T. Furth Performing Arts Center. Trine's beautiful 450-acre campus provides a safe, nurturing environment while also boasting proximity to major urban centers like Chicago, Detroit and Indianapolis. Each year, Trine University provides excellent service and a high quality education to over 300 international students from around the world as we strive to be a premiere private university. <https://www.trine.edu/>
